## Hello! Namaste! Hola! Hallo!

## **Dear Students**

Isn't it a great sense of wonderment to tune into a radio station and enjoy listening to what the Radio Jockey says in his or her captivating voice. Some eloquence with a dash of humour in narrating an emotional story , reciting soulful poetry , cracking memes , sharing latest updates , giving song recommendations ....phew, an RJ can give you all what you seek. An RJ can be your best companion during travel and your guide in hard times.

If you think, Radio Jockeying is your inner calling and you wish to be the voice that people will fall in love and look forward to connect with , here is an excellent opportunity to learn from the expert himself.
