Dear parents,

Online teaching for classes III-V, Session 2020-2021 has been in progress since April 2020. The teaching is being successfully conducted through Google Classroom, CRISP- connected classrooms and SNAPHOMEWORK app. The teachers are able to connect, clarify and address to both the personal as well as academic concerns of your wards.

At this juncture, we have decided to conduct Internal Assessment because revisiting and recapitulating the previously taught concepts, ideas and theories is very important to strengthen their comprehension.

Therefore, I would like to inform you that our teachers will be conducting **Online Assessment** as per the Date sheet given below. The assessment will be **Objective Type (MCQ)**. The **Syllabus** will be shared through **SNAPHOMEWORK**. The assessment will be conducted through **Google Forms** and students will be adequately trained for the same by the teachers prior to the date of assessment.
