"If you can't fly, then run, if you can't run, then walk, if you can't walk, then crawl, but by all means keep moving."- Martin Luther

Dear Parents,

The new session 2020-2021 commenced amidst the challenges of COVID-19 and in spite all challenges, we embraced Online teaching pedagogy, in the zeal to continue our teaching learning process. As we move towards the much awaited short break from 15 -30 June 2020, it is time for us to pause, reflect and analyse how we have navigated through tough times. We started with Online teaching in the third week of March and thereafter, there has been no looking back. Going by the current scenario, we anticipate the continuation of Blended teaching when we reopen in July. It is therefore imperative that we gather together and introspect the journey so far so as to be better equipped for times ahead.

A carefully structured special schedule has been planned for class XII from 8 to 12 June, 2020 wherein apart from reflecting and collecting feedback on our journey, counselling & recreational sessions have been planned for students. It is time to unwind, de-stress and share all doubts and apprehensions. I am sure the students & parents will make the most of these sessions. The details of the same are provided in the table given below.
