RACHNA-2018
A Creative Festival

It gives me immense pleasure to inform you that BBPS Rohini is organizing **RACHNA 2018** - A Creative Festival. **RACHNA** is an array of Interschool Competitions that gives students a common platform to showcase their latent talents and to think divergently.

Today, we exist in a technologically advanced world and several tasks are finished at the click of a button. Hence, it is imperative that we, at schools create those occasions where students infuse expressions of creativity with the boons of technology. Continuing with our effort in this direction, we have included a format of competitions based on online submissions in addition to offline events that will be held on 4th August 2018.

Looking forward to an active participation from your students.

GEETA GANGWANI
(PRINCIPAL)
