

## **CURRICULUM SUPPORT PACKAGES (CSP)**

Dear Principal,

Greetings from PACE!

Based on our regular discussion with the school Principals and teachers, and feedback from them, Hindustan Times PACE is bringing back the Curriculum Support Package (CSP) in a brand new digital avatar. We are delighted to inform you that the CSP will now be an e-book, and is aligned with the New Education Policy 2020 to facilitate a highly interactive and engaging classroom discussion.

As per the new curricular and pedagogical structure, CSP is being made available as 4 eBooks for different class groups. It is our effort to publish activities and projects that will serve as a great teaching tool for classroom (online) discussions while connecting well with the CBSE curriculum.

We at PACE are committed to providing top quality value addition to the academic community and your feedback will help us set higher benchmarks. Look forward to hearing from you.

Warm regards,

Roopali Dhawan
