**ANNUAL ASSESSMENT 2020-21**  
**CLASSES IX and XI**

Dear Parents,

This is with reference to **CBSE Circular No. CBSE/COORD/2021 released on 11<sup>th</sup> February, 2021** pertaining to the **Conduct of Examinations for Classes IX & XI**. The circular reiterates the conduct of the Annual Assessment, 2021 for Classes IX & XI in school premises in the **offline mode**. It goes without saying that offline Assessments are more reliable & beneficial in assessing the learning gaps of students so that the same can be addressed in the new academic session 2021-22. School staff will use the results of these offline assessments to design **Bridge Courses** that will enable us to plug in the identified learning gaps in the beginning of the next session. It is a matter of great concern that the students have had very little opportunity to attempt Pen paper exam in the session 2020-21 and therefore, these offline Assessments are of paramount importance in providing an opportunity to practice writing skills and improve expression & presentation skills.

The Date sheet of Annual Assessment, 2021 is as follows:
