A Carnival is a celebration of festivity, togetherness and a way to connect with members of the society. This year, Bal Bharati Public School Rohini celebrated the winter herald on 25 December 2019 in the Winter Carnival themed **Learning Beyond Classrooms: A platform for Bal Bharatians to perform, organise, engage and lead.**

Amidst all the fun and frolic, this fiesta was a complete learning endeavour organized by the students under the guidance of Prefectorial Board. The various activities engaged the students in honing skills such as enhanced inter-personal relations, effective communication, creative thinking, judicious planning, execution and leadership skills etc. The students thoroughly enjoyed participating in all the activities.

They enthusiastically took part in the musical extravaganza Razzmatazz and walked the ramp with panache for Trends and Flaunts that was judged by Ms. Rita Gangwani, Beauty Pageant Mentor; Ms. Manya Pathak, TV Actor and Ms. Vidisha Baliyan, Ms World Deaf, 2019.

The enthralling parade and flashmob left the audience spellbound. In another performance, the rhythmic fitness moves of the students instilled in them the value of fitness in tandem with Fit India Movement. A heart-warming dance performance by students with Special Needs from Chetna School of Rehabilitation left the audience stirred with the patriotic emotion depicted by them.

The event was also marked with a great Musical infusion during Band Performance by Zaman Khan organized in collaboration with School Alumnus, Vibhor Hasija. The spirit of music was blended with a tech spectacle, the Laser Show that rendered high energy pulse to the carnival. There couldn't have been a more jubilant closure to a year that marked the **75 Glorious Years of Child Education Society (CES)**, backbone of all our accomplishments under the able guidance of Shri. L.R. Channa (President, CES). I extend a heart-felt gratitude to all stakeholders for supporting us in making this event a great success. May we continue to rejoice in times ahead.
