FROM THE PRINCIPAL'S DESK

VOLUME IV ISSUE III | SEPTEMBER 2019

Dear Readers,

It gives me immense pleasure to share with you the e-newsletter that is compilation of some of our achievements, our grand events and innovative programs. Indeed, our delight at success of smaller and impactful experiments with innovation gets quadrupled when shared with our stakeholders. When Vince Lombardi said, *"Leaders are made, they are not born"*, I am sure, he had the modern day schools, like ours, in his mind.

The Prefectorial Board at our school, is an attempt to nurture potential future leaders. Members of the Prefectorial Board learn how to become better listeners and display empathy and patience towards other students while continuing to act as exemplary role models. Confidence and self-esteem comes naturally to them through their interactions with fellow students, teachers and administrative officers of the school. The students learn to become more decisive and handle challenging situations efficiently, hence, transforming school into the most essential cradle for the development of a student's overall personality. A Prefectorial Board within the school system is a win-win format for all stake holders, for it allows a more democratic set up for the students while ensuring a smooth working of the system. The pupils feel empowered that they too have a voice and, thereby, they bridge the gap between the students and the authorities. We present the panorama of pictures of our Investiture Ceremony, 2019.

The expectations from a 21st century school are no less. These expectations extend the realms of education beyond the walls of the classrooms and incorporate innovation, experimentation and experience as the basis of all learning. It is in this fervor, Bal Bharati Public School, Rohini, hosted 'Explorika - Beyond Classrooms', an array of Interschool competitions. The competitions in Explorika, garnered a multidisciplinary approach with a superfluous combination of Scholastic subjects and performing Arts. With Explorika 2019, BBPS, Rohini went a step ahead in bringing together all units of BBPS, all over India, with their zealous participation in 8 online competitions. The remaining 12 offline competitions witnessed an exciting and amazing participation of over 25 schools of Delhi NCR. The School also organized the Atal Tinkering Fest to stress on the integration of boons of technology with the modern day education system.

We find ourselves at the pinnacle of the glory of our education system for all our initiatives, ideas and strategies have found a firm believer in The Child Education Society and its President, Shri L. R. Chanana. The society has successfully completed its 75 glorious years and has a long journey ahead. The policies and beliefs of a society are reflected through its members. And each of the schools under the aegis of CES is a gem in itself that further curates the future generation as responsible global citizens that would make their families, schools and the Nation proud of their abilities.

GEETA GANGWANI

Principal

INVESTITURE CEREMONY (SENIOR)

The Investiture Ceremony of Prefectorial Board, 2019 for the Senior Department was held on 18th July, 2019. The Chief Guest on the occasion was Group Captain Rajeev Gupta, Indian Air Force. The ceremony began with prayer seeking blessings from the Almighty. The prefects and the office bearers received their badges from the Chief Guest and took the oath to uphold the values and the honour of the school. Group Captain Rajeev Gupta addressed and enlightened the audience with his four variations of the famous 'Hare and the Tortoise Story'. He encouraged them to follow their passion. The principal, Ms. Geeta Gangwani congratulated the members of the previous Board for their outstanding work and advised the new Board members to take the glory to greater heights. The programme ended with the National Anthem.

INVESTITURE CEREMONY JUNIOR

In the Investiture Ceremony of Prefectorial Board, 2019 for the Junior Department held on 24th July, 2019, Mr. Anand Vardhan, IAS officer, SDM, Mughalsarai graced the occasion with his benign presence as the special guest of the day. After the badges were given to the newly inducted members of the Prefectorial Board, Mr. Vardhan motivated the students to believe in the power of perseverance, conviction to perform and to enjoy whatever they do in life. He ignited the young minds with thoughts like patriotism and hard work for becoming a better citizen of the country. The Principal, Ms. Gangwani also shared her enriching views about the importance of leadership and self-discipline as she wished the new members great luck for a new beginning. She also appreciated the old members for their zestful involvement.

To commemorate 75 glorious years of Child Education Society, the apex body of all Bal Bharati Schools, Alumni Association BBPS Rohini organized Cleanliness Drive under its annual community engagement programme called, Parivartan: Ek Prayas on 1st September, 2019. The event was graced by Mrs. Shobha Vijender Gupta, Founder, NGO Sampurna and Mrs. Chitra Aggarwal, Councillor, Rohini. The programme began with felicitation of the Guests of Honour by the school Principal, Mrs. Geeta Gangwani and members of Executive Committee, Alumni Association. The students from Environment Club, MUN Club, Health & Wellness Club and Interact Club marched to spearhead the Cleanliness drive around the school campus amidst slogans and loud cheer. The cleanliness team was provided with masks and gloves and was duly supported in the drive by the workers from MCD. The students began with picking up litter and clearing the weeds growing along the school wall. A part of team cleaned the walls by removing the posters with the help of scrubbers. The teams cleared the grounds and transformed the entire surrounding into clean spaces. The programme also comprises of the awareness campaign wherein the students will talk to the vendors around the school campus and reiterate the need to maintain cleanliness. The event was hugely successful as it gave an opportunity to students to contribute towards the cause of cleanliness. Ms. Shobha Gupta motivated the students to use Cloth Bags and reduce single use plastics. The Guests of Honour highly appreciated the initiative of school and the zeal of students exhibited on the occasion.

PARIVARTAN: EK PRAYAAS
