

Dear Parents

The art of Storytelling enraptures little minds as the children love to drown themselves into the world of fairies, kings, animals, magicians, wonderlands and starry skies. Story telling enhances attention, listening comprehension and also communicative skills. To engage the students in a fun-filled and learning endeavour, the school is organizing a **Story Telling** Session on 24 July 2020, Friday to be conducted by Ms Rashmita Rao from 12: 30 pm to 1:30 pm.

The link of the session will be shared with you by the Class Teacher on Google Classroom and Class Whatsapp groups before the commencement of the session.

You are requested to ensure that your ward attends the session as a Story Quiz (Question –Answer Round) based on the story shared in the Story Telling Session will be conducted in the next English period.
